Hi, Ben. When you submit this form, the owner will see your name and email address.

Instructions

The Graduate School requires that new Academic Student Employees (ASEs, including TAs, RAs and predoctoral instructors) be evaluated during their first two ASE assignments. Anthropology has generally gone further, expecting an evaluation every quarter for every ASE position. This form is to be completed by the instructor. The instructor must discuss and review their responses to this form together with the ASE who is the subject of the evaluation. The instructor needs to collect a brief self-reflection document from the ASE to submit with this form.

Per Graduate School Policy 5.1: Departmental Responsibilities Regarding Instruction by TAs (<https://grad.uw.edu/policies/5-1-departmental-responsibilities-regarding-instruction-by-tas/>) criteria for teaching competence and procedures for observations are to be determined by each department and are to be communicated to the ASE prior to the observation, at the beginning of the quarter.

In the Anthropology Department, we have documented some expectations in 'Working Together for Student Success: A Guide for Faculty and TAs in the UW Anthropology Department'

Departmental evaluations are distributed during the 7th week of each quarter. Contact agp-advisor@uw.edu if you wish to evaluate your appointee prior to that time.

Guidelines for these evaluations are governed by Graduate School Policy 5.1: Departmental Responsibilities Regarding Instruction by TAs (<https://grad.uw.edu/policies/5-1-departmental-responsibilities-regarding-instruction-by-tas/>) and Executive Order 28: Graduate Student Service Appointments (<https://policy.uw.edu/directory/po/executive-orders/eo-28-graduate-student-service-appointments/>). Please review these before completing your review.

This evaluation form is based on the Teaching Assistant Job Description form distributed to ASEs and their supervisors before the start of each quarter

Responses to this form will be included in the official personnel file of the academic student employee (cf. article 22 of the contract <https://hr.uw.edu/labor/academic-and-student-unions/uaw-ase/ase-contract>) which ASEs have the right to examine and request corrections or respond.

1. Instructors, contact your ASE and request from them a 1-2 page narrative self-evaluation and upload it here. This brief narrative should specifically address these three items:

1. Context: What class? Your roles? Additional features of your context that are important for understanding your self-evaluation?
2. Self-evaluation: Looking at your contributions to your assigned class, what went well? What could have gone better? What supports were helpful in what went well?
3. Looking ahead: What would you do differently? What kinds of support would have helped you?
